Chief Robert B. Murray
Metropolitan Police Department
300 Indiana Avenue, N. W.
Washington, D. C.

Dear Chief Murray:

The Director has asked me to express his appreciation for the assistance given us by the Metropolitan Police Department in connection with our Cornerstone Ceremony at Langley on 3 November.

Captain Daniel E. Kennedy of No. 7 Precinct arranged that officers be posted at critical points along Canal Road to ensure a smooth flow of traffic. He and his men did an excellent job handling the exceptionally heavy flow of vehicles through this area.

Sincerely,

15/
L. K. White
Deputy Director
